Oceans are a vital component of our planet containing countless marine species and vast seabed resources. Besides being the cheapest medium for transportation of goods, Oceans contribute towards world's economy through tourism, fishing, renewable energy production, aquaculture and seabed resources including hydrocarbons and minerals. Economic activities in the Oceans are therefore expanding rapidly, driven primarily by growing population across the globe. As the world turns increasingly to the Oceans for sustainable growth, the Blue Economy' emerges as a transformative paradigm – uniting all oceanic, maritime, and coastal sectors for inclusive prosperity and long term resilience.

Blue Economy has been increasingly adopted by developed nations for sustainable growth. Government of Pakistan has put special focus on development of Blue Economy. Across the globe, Maritime exhibitions provide an ideal platform to showcase various products, systems and services leading to beneficial business partnerships at local and international levels.

Recognizing the immense potential of the Blue economy, Pakistan Navy is committed to fostering a national maritime awareness at national level and pave the way for sustainable development of

maritime sector through synergized efforts of all stakeholders. In this regard, Pakistan International Maritime Expo & Conference (PIMEC) is an initiative of Pakistan Navy being co-organized by Badar Expo Solutions under the patronage of Ministry of Maritime Affairs to jump start Blue Economy.

Maiden edition of PIMEC was conducted from 10 – 12 Feb 2023 at Karachi Expo Centre. During the event, an International maritime conference on Blue Economy was also held. Next edition of PIMEC 2025 will be a 4 day event scheduled at KEC from 3-6 Nov 25 (Monday to Thursday).

A total; of 143 x Exhibitors participated in PIMEC-2023 including 22 x international exhibitors from 12 x countries (China, Finland, France, Germany, Iraq, Italy, Netherlands, Oman, Singapore, Turkiye, UK and USA and 121 x Domestic exhibitors). As a result of business engagements 22 x MoUs/JVs amounting to US\$ 400 M were signed during PIMEC-2023. In totality around 19,000 x visitors attended PIMEC-2023 including 159 foreign delegates from 52 countries.

PIMEC will focus on investment and collaboration in various maritime fields including Port operations, Ship design, building and repair, Ship Breaking, Fisheries and Aquaculture, Coastal Tourism, Marine Engineering Equipment and Maritime Infrastructure Development and Artificial Intelligence. PIMEC is also focusing on defence equipment, maritime training and education, Maritime Logistics and Sea Transportation, Seabed Resource Exploration, Renewable Energy and Environment Protection.

Maritime expo will showcase innovations, products and services. It will provide a platform for brand exposure to wide group of global audience from the maritime market. It will provide an opportunity to connect decision makers, end users and industry leaders. It will also help to create new business relationships and strengthen existing ones. It will highlight Maritime Potential and investment opportunities for the trade, businesses and investors visiting or participating in exhibition.

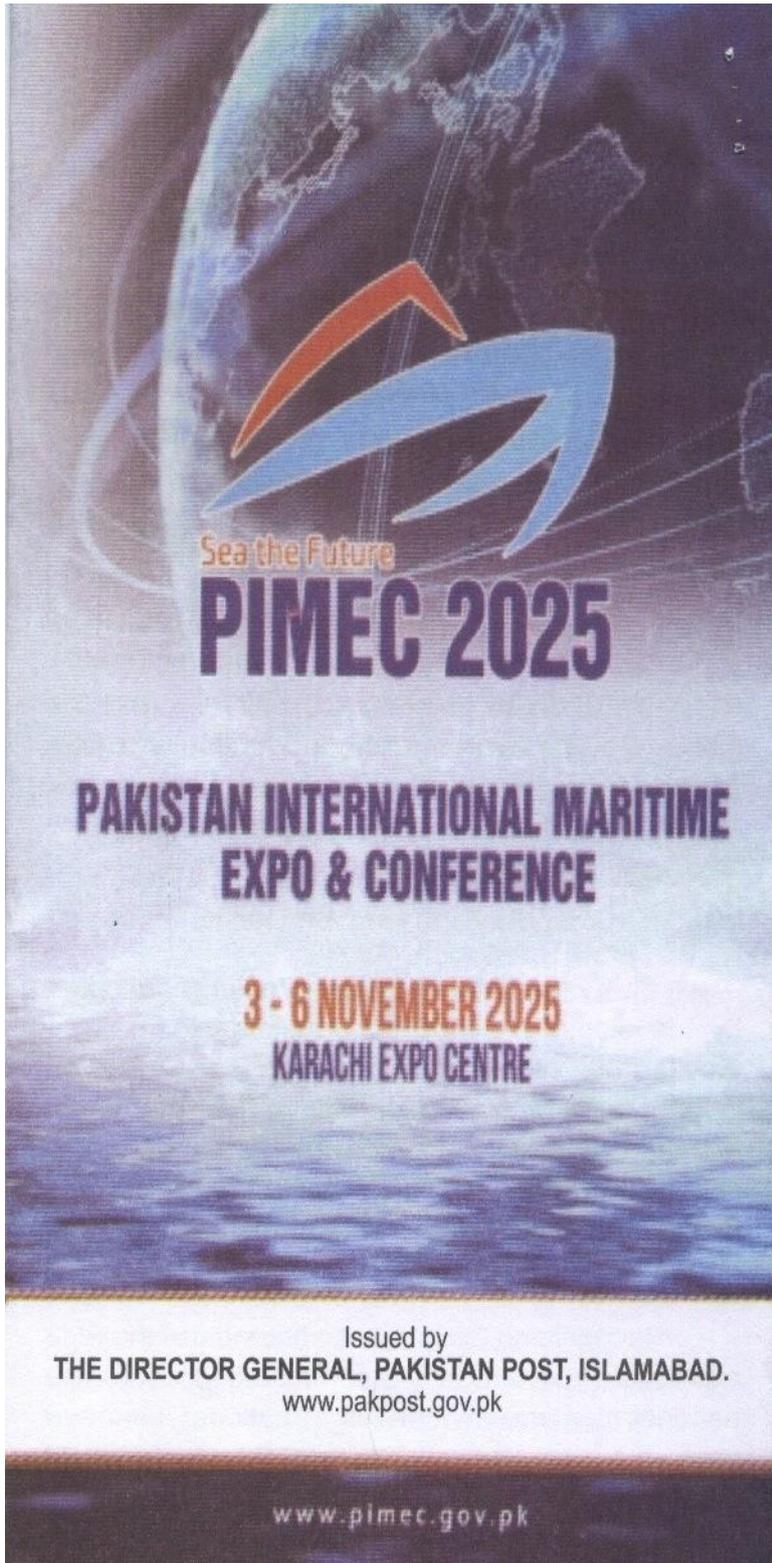

PIMEC serves as a tribute to Pakistan's growing maritime ambitions and a cornerstone of National Progress. The event will amplify Pakistan's strategic vision to become a regional maritime hub, fostering trade, security and innovation. It will reinforce national pride, educate masses on the maritime importance and attract global investors.

On the eve of 2<sup>nd</sup> edition of PIMEC 2025, Pakistan Post is issuing the Commemorative Postage Stamp of Rs.30/- denomination on November 03, 2025.
